Dr. Benjamin Hardy (best-selling author and organizational psychologist) published an article on INC.com yesterday called "[Entrepreneurs Can Make Money But Are Terrible At Keeping It.](#)"

Dr. Hardy highlights key points of our face to face interview and shares 7 tips for financial success. He states that after applying this advice over the past six months, he's been able to "develop a plan, increase accountability, and set up a system for tracking my finances...which has led to making more money and growing my long-term vision."

I hope you'll take a moment to read the article ([Click Here: INC.com Article](#)) and that you find at least one valuable insight for your own benefit.
