<<First Name>>,

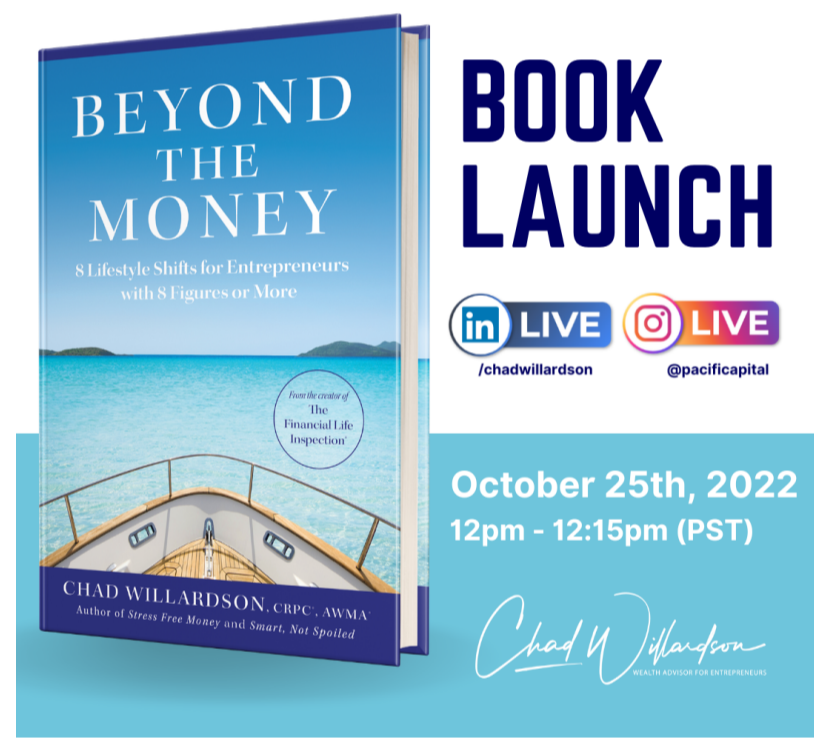

FACT: 90% of entrepreneurs have 5 employees or less and nearly 70% don't even make it to their 10-year anniversary. So, if you're an entrepreneur that's created an 8- or 9-figure business, you've built something very special and unique! No doubt, it's been a real journey to get where you are.

My third book is written especially for you and TODAY is the big book launch day: ["Beyond the Money: 8 Lifestyle Shifts for Entrepreneurs with 8 Figures or More"](#)

If you're in this elite group, you're a visionary leader and you've likely created incredible wealth. You're busy and your schedule might seem over-committed. People want your advice and your time. In other people's eyes, you've basically "made it" financially, even if you don't feel like that yet. So what do you do now that you're here? How do you avoid the attention and time traps that come from significant financial success? Now that you can afford the lifestyle you've always dreamed of, how do you find the time and freedom to enjoy it?

With this book, you'll get some great ideas from other successful entrepreneurs that will help you align your actions with your priorities, dramatically improving your health, relationships, and happiness.

Today during lunchtime, I'm broadcasting LIVE from 12pm to 12:15pm (PST) on my [Linkedin page](#) and [Pacific Capital Instagram](#) and would love to see you there!! (thank you in advance for your support)

My publisher agreed to let me discount the Kindle version from its full list price down to \$0.99 this week! I'm confident it's the best \$1 investment you could make today. :) If you'd also like to hold a book in your hands, the paperback and hardcover versions are on Amazon, Barnes & Noble, etc. (audiobook should be uploaded by Amazon any day now). 3 simple ways you could help support this book launch:

- 1) Buy the book on Amazon
- 2) Share on your social media
- 3) Leave a book review on Amazon

Book reviews are the most important factor in how many new readers the book is able to reach, and each one makes a real difference. Thank you so much for your support! I hope you'll find some great insights and ideas to live a better lifestyle... BEYOND THE MONEY!
