Good Morning and Happy Friday!!

THANK YOU for your early support. We hit the #1 ranking on Amazon for the category of "wealth management" and "budgeting" so far! The temporary discount (99 cent Kindle) expires soon. I don't believe you could find a better use for 99 cents for your family these days! :) My recorded audiobook should be approved by amazon and audible.com any day now.

I really believe this book will help you know how to make money a comfortable conversation topic in your family and to teach the kids in your life to be smart with money. Feel free to forward this email to any friends or relatives that might enjoy some tips on how to raise "smart, not spoiled" kids!

Three simple ways you could help support this book launch:

- 1) Buy the book on Amazon
- 2) Share on social media
- 3) Leave a book review on Amazon

As of this morning, I see 22 five-star book reviews on Amazon! Reviews are the most important factor in how many new readers the book is able to reach, and each one makes a real difference. Click [HERE](#) to get your copy.

Thank you again.

Have a great weekend!

Sincerely,
