Memorial Day is a special time to remember the courage of the brave men and women who served, protected, and ultimately sacrificed everything on behalf of our freedoms and our country.

This Memorial Day we can express our thanks and gratitude in variety of ways. We can let the son, daughter or loved one of a fallen service member know that we recognize his or her sacrifice on behalf of our country. We can place flags and flowers on veterans' graves at a VA National Cemetery. We can simply fly a flag or observe the national moment of remembrance held on May 27th at 3:00pm local time (our office will be closed on Monday). We will be taking our kids on the "Memorial Mile March" walk to honor our military and we will be placing flags at the gravesides of these American heroes.

Wishing you and your family well on this important holiday weekend!!
