THIS MONDAY AFTERNOON! (August 10th @ 2pm)

I was invited to be on a panel of experts for this upcoming webinar. It's a sensitive topic, but a real one... one that deserves attention and expertise.

These statistics may shock you:

- 42-45% percent of first marriages end in divorce.
- 60% of second marriages end in divorce.
- 73% of third marriages end in divorce.

Knowledge is power when it comes to a marriage dissolution and there is so much for families to consider when looking at their options.

This "Divorce 101 LIVE Webinar" on Monday will provide you with a strong starting point no matter where you are in the process. We will be giving specific insights and tips for financial decisions before and after your divorce, emotional care for you and your children, real estate considerations, and what to expect from family courts throughout the process.
