<<First Name>>,

I recently enjoyed a great night at a non-profit yacht party supporting [Tim Tebow's Foundation](#) that fights against child trafficking. Getting to know Tim personally was a real honor.

Successful night: Raised \$4M with a small private group of 200 entrepreneurs! It's awesome to see so many dynamic business leaders willing to make an impact.

Great people, great cause.

After spending 5+ hours with these four great men (Tim Tebow, John Ruhlin, Scott Donnell, Randy Garn), the famous quote by Charlie Tremendous Jones comes to mind:

"You will be the same person in five years as you are today except for the people you meet and the books you read".

These men inspire me to be better in every area of my life.

Life tip: Have a purpose higher than money and surround yourself with people who are aiming to do good for others.

Create and use wealth to make a lasting positive impact. Call to action: find a cause you care about and let that be a motivating passion for you to be successful!
